Statement of Education and Career Goals

A Statement of Purpose is required. It will be used to access your written communication skills and to evaluate your knowledge of your career choice.

Please address the following:
- Experience and/or relationships that have influenced your selection of National Cyber Security Studies program (education, employment, etc.).
- How you have prepared for graduate study.
- Your personal aspirations following receipt of the Master's Degree.

- Please list all the colleges and graduate schools you have attended along with principal subjects studied.
- Please list non-degree academic programs you have completed at schools operated by Department of Defense or related agencies (e.g. Squadron Officer School, War College, Command & Staff College, etc.).

Institution	Major	Overall GPA	Attended	Degree Date

Were you ever dropped from any college or university for academic or non-academic reasons?

References:

Three letters of recommendation are required. List from whom the department can expect to receive a letter of recommendation.
